MEMORANDUM FOR: [REDACTED] DPD-DD/P

SUBJECT : Trip Report to Eastman Kodak 12 February 1959

THROUGH : Mr. Eugene Kiefer, DPD-DD/P

REFERENCE : Memorandum for DD/P, dated 17 February 1959,  
same subject (GUS-0132)

This is simply to note that I have read with interest the referenced report of your trip to Eastman Kodak and I fully concur in all three recommendations in paragraph 6. I have been and will continue to try to persuade Dr. Land to set an early date for a meeting of the Advisory Committee. Although the first meeting of that committee will not include representatives of the three camera manufacturers from whom informal proposals have been solicited ([REDACTED]) I propose that we do include a representative from Eastman Kodak (probably [REDACTED]) with a clear understanding that we are not going to consider them as possible suppliers of cameras.
